JUSTICE FOR ALL

Fair play: It's a core American value. No matter our age, we all understand that bullies ruin the game for everyone. That's why we have referees in sport and judges to ensure that all of us are equal under the law.

But Trump and his billionaire buddies want to rig the game in their favor. Their billionaires bill (which they call the "big beautiful bill") will restrict judges from enforcing the laws that Trump and his minions break.

Time to call foul! Let's make sure we have a level playing field for all Americans. Use this link to call your elected officials and urge them to vote NO on the Big Bill.

"A democracy cannot thrive where power remains unchecked and justice is reserved for a select few. Ignoring these cries and failing to respond to this movement is simply not an option—for peace cannot exist where justice is not served."
