

LET FREEDOM RING

Throughout our history, American patriots have risen up to demand freedom, from the founding of our nation and the struggle to end slavery to the campaigns against fascism in the early twentieth century and the movements for civil rights in the 1960s.

But Trump and his billionaire friends don't believe in civil rights and due process. They're trying to take away the freedoms we fought for in order to enrich themselves.

We can stop them. Join a local pro-democracy group. Call your Congresspeople with 5Calls (<https://www.5calls.org>). Write postcards to voters. Donate. Wave a sign. Put your money where your values are. Small actions add up. Together, we are powerful.

"I long to accomplish a great and noble task; but it is my chief duty to accomplish small tasks as if they were great and noble."
